

Nordic Metabolomics Society

newsletter 01/2023

Free webinar and workshop on Analytical challenges in metabolomics and General Assembly

NMS is also hosting a webinar and workshop on Analytical challenges in metabolomics, 22nd of March:

Date: 22. March from 10.00-12.00 (CET). Program available soon at <https://www.nordicmetsoc.org/>

You can choose to attend only the workshop or only the General assemble, or both.

Travel grants for early-career researchers to the 19th International Conference of the Metabolomics Society, in Niagara Falls

NMS is also offering two travel grants for early-career researchers to the 19th International Conference of the Metabolomics Society. For applications, please check the NMS web page: www.nordicmetsoc.org. Deadline February 26th, 2023

Upcoming, please mark on your calendar:

The 3rd Nordic Metabolomics Conference 2023

Trondheim 18-20 October in Trondheim

The conference aims to highlight and discuss the latest metabolomics research in the Nordic countries and abroad, and we are proud to present an outstanding scientific program.

The local organizing committee and the Nordic Metabolomics Society look forward to hosting you at the 3rd Nordic Metabolomic Conference at **Trondheim**.

We have invited outstanding speakers from Europe including the Nordic countries.

The meeting will also host a panel debate and a session dedicated to our sponsors. The majority of talks will be based on abstracts from submitted abstracts. The sessions will include:

- Spatial metabolomics
- Computational metabolomics
- Metabolomics and lifestyle
- Microbiome and host metabolism
- Clinical metabolomics

Important deadlines will be:

- Registration and abstract submission opens: March 15th
- Deadline for early bird registration: June 30th
- Deadline for travel grant: August 15th
- Deadline for abstract submission: August 15th

More information will soon be available, see <https://www.nordicmetsoc.org/>
